# THE BEST OF THE RESTS

The 304™ Skillet Rest is fully assembled and ready for live-fire cooking. Simply slide onto the outside of your Breco X or Y Series® Fire Pit and get creative with your next meal. Can also be used on its own for cooking or serving.

## USE WITH FIRE PIT

### STEP 1

Using the curved handle, slide the 304 Skillet Rest on to the lip on your X or Y Series Fire Pit. The Breco logo should be overhanging the fire.

### STEP 2

Once Skillet Rest is fully locked into place, you can rest skillets and other cookware to expand your live-fire cooking

### STEP 3

Use the outer handle to adjust placement of Skillet Rest as needed. Arrange multiple Skillet Rests around the edge of the fire pit to create a stable platform for various cookware setups.

## OTHER USES & CARE

Use Skillet Rest as a small live-fire grill with or without a fire pit.

Ensure Skillet Rest is cool, and use on almost any flat surface to protect surfaces from hot cookware.

Clean stainless steel with bristle brush, water, and dish soap.

Skillet Rest may darken in color when exposed to heat.

## WARNING

Skillet Rest becomes hot when cooking, and can cause severe burns.

Do not touch when hot. Avoid touching sensitive surfaces with Skillet Rest when it is hot.
