# INSTRUCTIONS

## ABOUT

The OutRig™ Tray is designed for the Breeo X Series® Chair to give you a flat and sturdy surface to enjoy your over the fire cooking. The Tray is made out of HDPE with a Stainless Steel attachment.

## USE & CARE

Pop the tray onto the Stainless Steel holder so it's in the horizontal position.

When not in use, stow the tray in the vertical position alongside your chair or in your shed. To clean, place in the dishwasher or use your typical dish soap.

## WARNING

When the HDPE gets hot, it will flex a bit. Do not store it in direct sunlight as it will flex with the heat.

Do not place a heavy pot or pan on the edge of the Tray.

If you set a hot pot or pan on the tray, use a heat protectant pad underneath.
