

# SEARPLATE™ STAND

USER GUIDE

# INSTRUCTIONS

## ABOUT

Built to store the SearPlate™ Griddle after every use. Made out of Stainless Steel.

## USE

Place your SearPlate stand on a firm level surface. When placing the SearPlate Griddle into the stand, insert the side with the Outpost cut out first.

## CARE

Wash it with warm water and dish detergent when needed.

**FOR YOUR  
SAFETY**

Always practice safety first when using SearPlate™ Stand. When using your stand, exercise the same precautions you would with any open fire.

Misuse and lack of care when placing the griddle on the stand could potentially result in injury or burns.
